

MULTI-CLEAN INDUSTRY

Degreasing concentrate

Item no. 831 010 Canister 10 l

Item no. 831 010 Item no. 831 025

PRODUCT DESCRIPTION:

Multi-Clean is a high-quality degreasing concentrate and must be diluted with water. The product should not be used with a mixing ratio stronger than 1:10 to 1:20. Check colour fastness before use.

APPLICATION AREA:

Ideally suited for removing stubborn soiling such as oil, wax, grease, silicone, soot and atmospheric deposits. Dilute Multi-Clean with water using a mixing ratio of 1:10 and apply thinly using a brush, spray bottle or sprayer.

Suitable for floor-cleaning machines (low foam formation) 1:20 to 1:40

BENEFITS:

- non-flammable
- biodegradable
- neutral scent
- residue-free degreasing
