

NEOVAL OIL MTO200

Long-lasting rust protection

Item no. 825 005 Canister 5 Lt.

Item no. 825 005 Item no. 825 010 Item no. 825 025

PRODUCT DESCRIPTION:

High-quality undyed mineral oil with maximum corrosion protection effect. Provides excellent adhesion, never dries out, never clogs up, is easy on the skin and has a pleasant scent. With a sophisticated formula including wear protection additives, aging inhibitors, cleaner additives and dispersants (which prevent the adhesion and resettling of dirt particles), this oil is a premium cutting-edge product.

Non-toxic and containing no silicone, chlorine, sulphur and heavy metals.

APPLICATION AREA:

For use as lubricating oil, corrosion protection oil, machine oil, drilling and cutting oil, chain oil, contact oil, slideway oil, rust remover and release agent for injection moulding tools.

BENEFITS:

- clean and long-lasting lubrication
- maximum corrosion protection
- lubrication points never clog or gum up
- optimum penetration capacity, reaching even the most inaccessible lubrication points
- keeps for at least 10 years if stored correctly

PROPERTIES:

Kinematic viscosity at 40°C: 38-42 mm²/s

Density at 20°C: approx. 0.88 g/ml
