

SILIKON-SPRAY BIKE

Protective and release agent

Item no. 804 400 Aerosol can 400 ml

Item no. 804 400

PRODUCT DESCRIPTION:

Silikon-Spray is an anti-friction and release agent and lubricant that works on all surfaces, such as metal, plastic, rubber, fabric, wood and leather.

APPLICATION AREA:

The clear transparent film provides weather protection and does not melt, freeze or become sticky. Suitable for a range of uses as a lubricant, especially for plastic and metal surfaces.

BENEFITS:

- prevents oxidation
- protects against moisture and surface leakages
- water-repellent, non-corrosive
- ensures electrical insulation
- Temperature range from -50°C to +200°C
